Manitoba ASCD Presents

Anthony Muhammad

***Creating Powerful Learning
Environments***

Thursday, May 5, 2011

9:00 am - 3:30 pm

**Canad Inns Hotel Club Regent Casino
1415 Regent Avenue West, Winnipeg, Manitoba**

This workshop will shed new light on the age-old battle of getting staff “buy-in” on school improvement initiatives. Participants will be introduced to the root causes of staff resistance to change. In addition, they will leave with a clear understanding of the problem and concrete strategies that will improve their school culture and lay the foundation for the creation of a powerful learning environment.

Anthony Muhammad, PhD, is a much sought-after education consultant. A practitioner for nearly 20 years, he has served as a middle school teacher, assistant principal, and principal, and as a high school principal. His tenure as a practitioner has earned him several awards as both a teacher and a principal. Dr. Muhammad’s most notable accomplishment came as principal of Levey Middle School in Southfield, Michigan, a National School of Excellence, where student proficiency on state assessments more than doubled in five years. Dr. Muhammad and the staff at Levey used the Professional Learning Communities at Work™ model of school improvement, and they have been recognized in several videos and articles as a model high-performing PLC.
